Terms & Conditions

All pricing is based on 4 Colour Front and 1 colour Back,

Card Size & Specifications: 85mm x 54mm, thickness: 0.76mm

If you require a more specific quotation, please contact us and request a customized quote.

All quantities under 500 cards can be produced with Thermal printing process one side full colour or by digital print with full lamination.

Prices include all Artwork Setup Fees and Charges, as long as Artwork is delivered according to specifications. Prices do not include GST or Delivery from our Sydney Office.

All jobs include one digital proof via email (pdf), additional digital proofs are charged at \$50.00 each.

Sample cards are no longer available.

Delivery time is 17 working days for orders below 50K and 20 working days for orders above.

Please also note that proofs are sent digitally as a .pdf file within 72hours.

Grouping of multiple orders attracts a 20% surcharge on the total quantity price (maximum of 4 artworks and printing specifications must be the same when grouping)

Custom Die Cuts are available at an additional quoted price.

We are a CMYK house and so all artwork is to be converted and will be printed as CMYK.

Special colours and metallic are to be on separate plates and attract a special charge.
